

Course Navigation

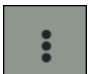

There are two main ways to get around a course:

- Navigation Drawer
- Breadcrumb links

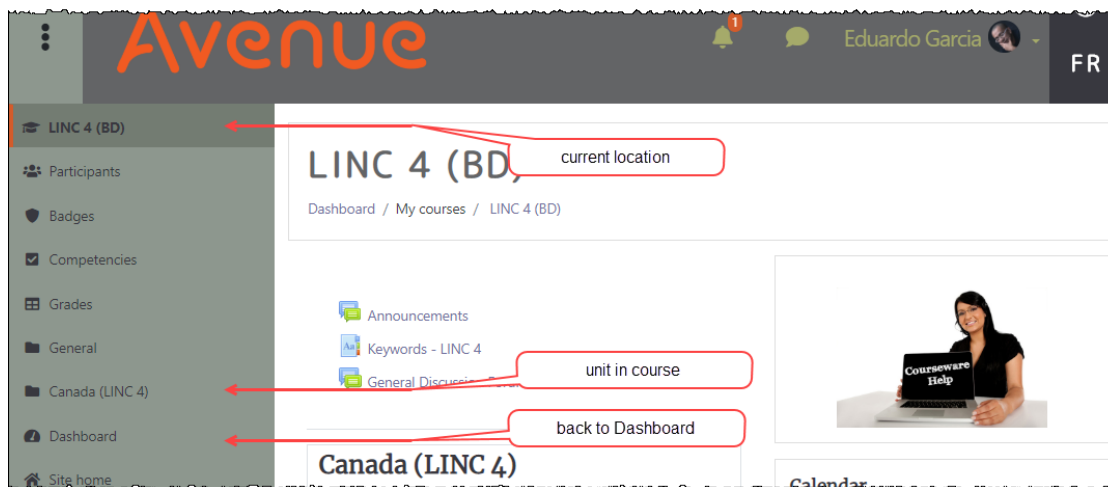

Navigation Drawer

The **Navigation Drawer** gives links to course content and other areas of the site.

1. Click on the three dots (vertical ellipsis) at the top left of your course to open  the **Navigation Drawer**.

The **Navigation Drawer** opens.

Your current location is highlighted. You can go to only two places: your **Dashboard** or a **Unit** in your course.

2. Click on one of the links to move to that page.

Here, we will choose a unit.

The screenshot shows the Avenue LINC 4 (BD) course page. The sidebar menu on the left has 'Canada (LINC 4)' selected, indicated by a red arrow. The main content area displays the course title 'LINC 4 (BD)' and a breadcrumb trail: 'Dashboard / My courses / LINC 4 (BD) / Canada (LINC 4)'. Below the breadcrumb, there are links for 'Announcements', 'Keywords - LINC 4', and 'General Discussion Forum'. The main content area features a 'Canada (LINC 4)' unit display with a red maple leaf icon and a 'Keywords - Canada' link. A red callout box points to the unit display with the text 'information in unit displays'. On the right, there is a 'Calendar' section for March 2020, showing a grid of dates from 1 to 31. Below the calendar, there are options to 'Hide site events', 'Hide category events', 'Hide course events', and 'Hide group events'.

To make more room on your screen, click on the vertical ellipsis to close it.

Breadcrumb Menu

The **Breadcrumb Menu** gives you quick links to show where you are in the course. It is like a map.

Every time that you click on a link in your course, a new breadcrumb is added to the **Breadcrumb Menu**.

This shows that you are on the course home page for LINC 4 (BD).

This shows that you are on the **Canada (LINC 4)** unit page of the **LINC 4 (BD)** course.

This shows that you are on the **Government Poll** activity on the **Canada (LINC 4)** unit, on the **LINC 4 (BD)** course.

Click on the link in the **Breadcrumb Menu** to return to the unit page or course home page.
