

Setting up a Course Observer

This document will provide Avenue instructors with tips to control access to their courses. Situations where this will be useful are if an instructor is being coached, an instructor is being evaluated or a student instructor is joining the class for professional development purposes.

Acquiring an Avenue Observer Account

Avenue instructors must not create an account for funders, administrators and non-teachers who would like a new Avenue user account to be an observer. Observer accounts should be generated by Avenue administration.

1. Create an **email** confirming that the observer will be required to complete a form.
2. Include the link to the Avenue [Avenue.ca Stakeholders Account Request](https://docs.google.com/forms/d/e/1FAIpQLSfN2IPP0q6ovwdCIN9CTGbovGQDbPK1FW_M7QyWtbX_27_xmg/viewform) form.
