

Download Assignment Feedback

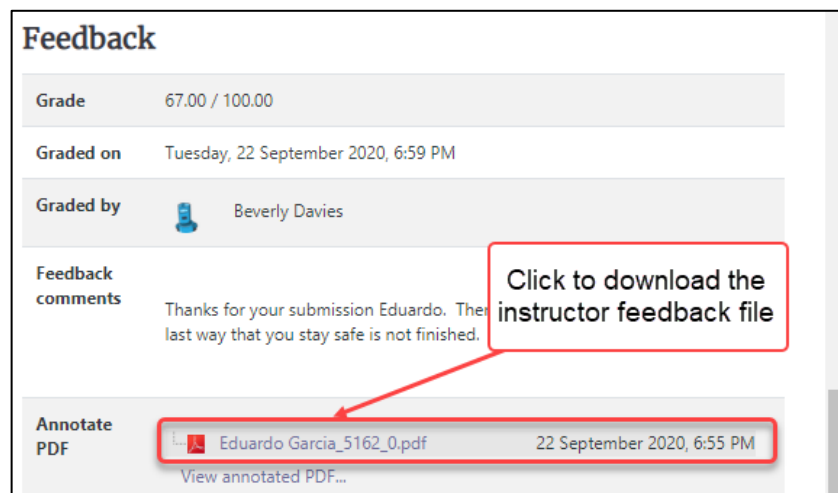

After the instructor grades an **assignment**, you can download the his/her feedback as a **PDF** file and upload it to your ePortfolio.

1. On your course page, click on the **Assignment** link.

The **Submission status** page appears.

2. Scroll down the page to the **Feedback** section.
3. To download the file, right-click on the **File name** next to **Annotate PDF** and choose **Save target as**, **Save link as** or even **Save page as**. Use the standard features of your web browser to complete the download.

If you're on a mobile device, click the same link and use the standard features its browser to **download** it.
