# Language Companion Viewing Tips in the Avenue ePortfolio

## Changing Pages

There are several ways to change pages in the Language Companion.

(i)  Click the left and right arrows to change pages.

(ii)  Use the left and right arrows on a computer keyboard to change pages in the binder.

(iii)  Point to the corner of a page and click to flip a page forward or backwards.

## Page Selector

Enter a number in the page number text box and press **Enter** on your keyboard to change pages.

## Thumbnail Menu

Click a page thumbnail in the **Thumbnails** menu to change the page displayed in the Language Companion.

Click the **Close** button **[X]** to close the **Thumbnails** menu.

To display the **Thumbnails** menu, click the **Thumbnails** button at the bottom of the Language Companion.

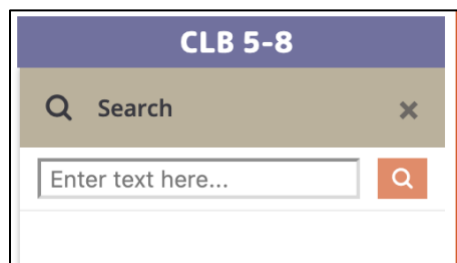

## Search

1. Click the **Search** button.

The **Search** panel appears.

2. Type a search term in the search text box and press the **Enter** key on the keyboard.

The **results** appear below the **Search** box. Click any item to display that page.

Click the **Close** button **[X]** to close the **Search** panel.

## Zoom In and Out

Click the **Zoom in** button at the bottom of the page to zoom in on the Language Companion pages.

Click the **Zoom out** button at the bottom of the page to zoom out of the Language Companion pages.
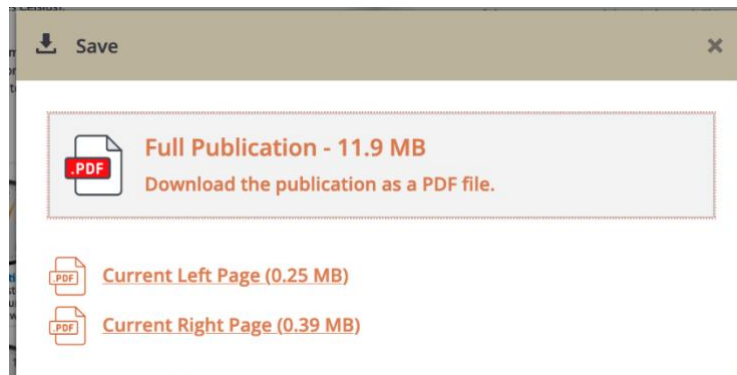

## Download

Click the **Download** button at the bottom of the page to download Language Companion pages.

The **Save** panel appears.

The file will download automatically to the default directory for your browser or a **Save file** panel will display.

Click the **Close** button **[X]** to close the **Save** panel.
