# Changing the Maximum File Upload Size (in a course)

This document explains how increase the size of files that can be uploaded to a course, e.g. attachments to blogs, uploaded assignments, SCORMS, PDFs or H5Ps. to download SCORM and H5P objects on Tutela.

1. On your course, click on the **Actions menu**.

2. In the **drop-down menu,** click on the **Edit settings** option.

    The **Edit course settings** page appears.

3. Scroll down the screen to the **Files and uploads** option appears.

4. Click on **Files and uploads** to expand it.

    The **Maximum upload** size setting is displayed. This setting determines the size of the largest of file that can be uploaded to the course.

5. Use the **Maximum upload** size drop-down menu to change this setting.

6. Ensure it will allow learners enough size to submit tasks for your course.

7. Click on the **Save and Display** button
