

How to add an H5P activity to EduLINC using a .h5p file

H5P is an online tool that create media rich, interactive and engaging learning activities. The H5P editor and full functionality is available to EduLINC Instructors in their courseware.

The following steps demonstrate how to add an H5P learning activity into your courseware using a .h5p file. Please read and respect the copyright associated with each **H5P learning activity**.

Step-by-Step Instructions to Add an H5P Learning object

1. Go to your **EduLINC** course.
2. At the top-right side of the screen, , click on the **Turn editing on** button.

A rectangular button with rounded corners, containing the text "Turn editing on" in a grey font.

3. In the appropriate topic, click the **+ Add an activity or resource** link.
4. The **Add an activity or resource** pop up appears.
5. Select **H5P Interactive Content** in the left panel under **ACTIVITIES**.

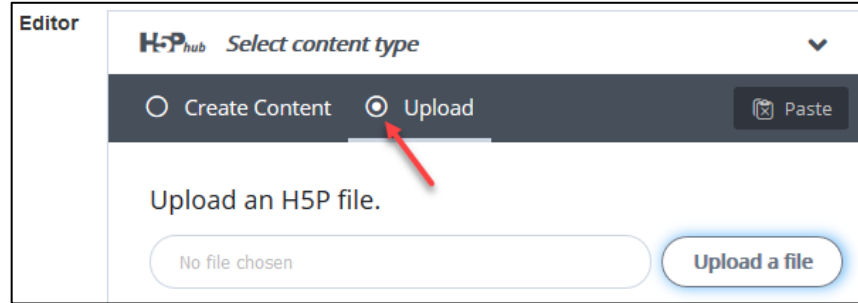

6. Click the **Add** button.

A rectangular button with rounded corners, containing the text "Add" in a grey font.

The **Adding a new Interactive Content** page appears.

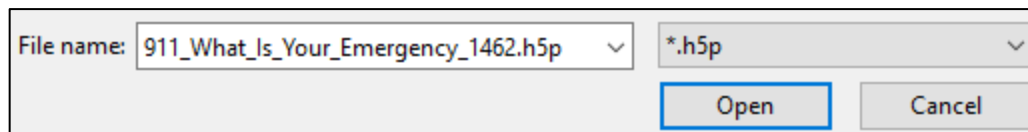

7. In the **Description** textbox, type a brief description of this H5P Activity.

8. In the H5P Editor, Click on the **Upload** option.

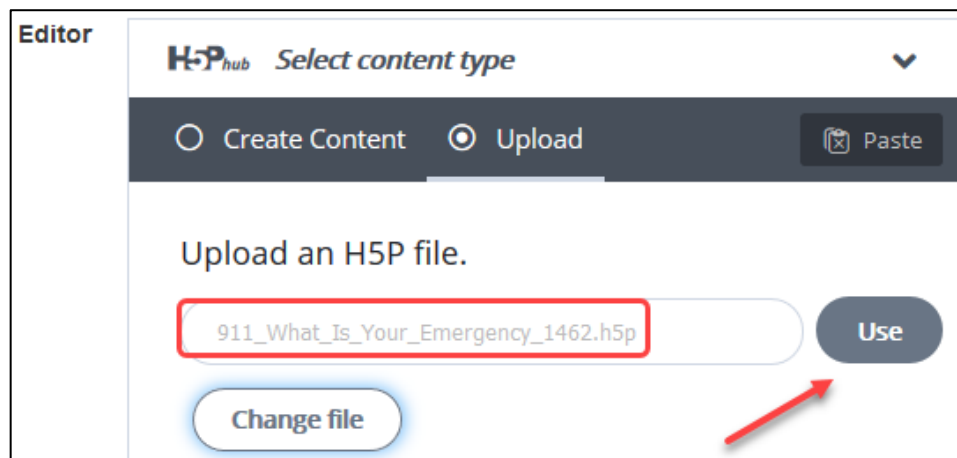

9. Click on the **Upload an H5P file** button.

10. On your computer, locate the **H5P** file, select it, click on the **Open** button.

11. in the **H5P Editor**, click on the **Use** button.

12. Look for the message, **was successfully uploaded!**

13. Above this message the H5P editor displays the **H5P activity type**.

14. Depending on the **Copyright** statement of the H5P learning activity, you can edit the **H5P activity**.

The screenshot shows the H5P Column editor interface. At the top, the title is '911 What Is Your Emergency'. Below the title, there is a section for 'List of Column Content' with a dropdown menu showing 'Untitled Image'. The content is an image of an ambulance with 'EHS' on the side. Below the image, there is an 'Alternative text' field with the text 'An EHS ambulance'. Red arrows point to the title, the image, and the alternative text field, with callout boxes containing the text: 'H5P Column activity', 'Name on course main page', and 'Content, can be edited.'

15. After you finished reviewing or editing the **H5P activity**, open the **Display Options**.

16. Choose options that meet your requirements.

The screenshot shows the 'Display Options' section in the H5P editor. The options are:

- Display action bar and frame
- Allow download
- Embed button
- Copyright button

17. Open the **Grade** section.

18. Change the **Grade to pass** to suit your class.

19. Change the **Maximum grade** to 100.

The screenshot shows the 'Grade' section in the H5P editor. The options are:

- Grade category
- Grade to pass
- Maximum grade

20. Click on the **Save and Display** button.

Save and display

21. The **H5P activity** appears, Try it as a student.

Dashboard > JASB > LINC 3 - All Themes > 911 What Is Your Emergency 1462

ADD A BLOCK
Add...

911 What Is Your Emergency 1462

Listen to the recording and answer the quiz. Press the grey audio icon to play the recording.

0:00 / 1:50

Start Quiz
