

## Removing Access Restrictions (on a multilevel course topic)

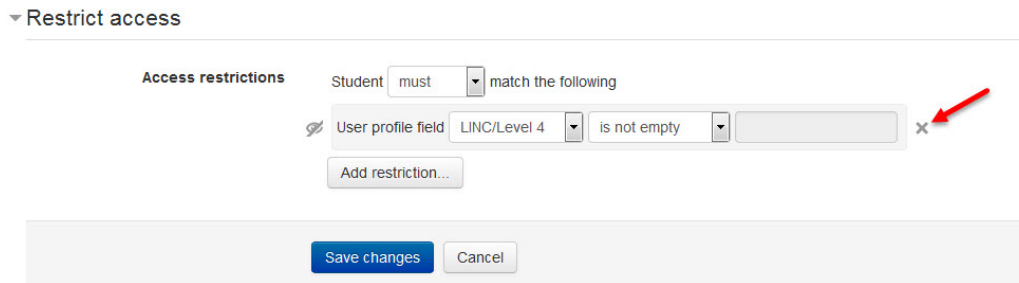

1. Go to the course page and click the **Turn editing on** button
2. Click the **Edit topic** icon in the Topic section drop-down editing menu.

3. Click the Restrict access heading to expand that section

4. Click the Delete icon (X) next to the User profile field restriction to remove it.

5. Click the **Save changes** button to finish.
